

Thursday 4 Aug			
	Bobwhite Restoration	Translocation	Western Quail
2:00	Habitat works: How Partnerships and Habitat Improvement have Restored Quail Populations in the 2C Quail Focus Area Lee Metcalf	Survival, Movement, and Habitat Use of Translocated Northern Bobwhites Nova Silvy	Population density estimates of the Montezuma Quail (<i>Cyrtonyx montezumae</i>) in West Texas Alberto Macias-Duarte
2:20	Landowner cooperative key to success in the Bee Ridge Quail focus area John Pinkowski	WINTER SURVIVAL AND RESOURCE USE OF TRANSLOCATED NORTHERN BOBWHITE IN THE MID-ATLANTIC UNITED STATES Kaili Stevens	Montezuma Quail in the Edwards Plateau of Texas: Detection, Occurrence, and Habitat Zachary J. Pearson
2:40	Lessons Learned from the First 5 Years of the Oaks and Prairies Joint Venture's Grassland Restoration Incentive Program (GRIP) James Giocomo	Highly variable autumn calling rates of northern bobwhite following translocation John Palarski	Nesting Of Montezuma Quail In Mexico David Garcia-Solorzan
3:00	Results from Kentucky's 10-year Bobwhite Recovery Plan Cody Rhoden		Age, sex and family composition of Montezuma quail (<i>Cyrtonyx montezumae</i>) coveys in Arizona, New Mexico and Texas Alberto Macias-Duarte
3:20 Break			

Thurs. 4 Aug			
	Bobwhite Ecology SW MO	Quail Physiology/ecology	Western Quail
3:40	Nest Hatch Chronology of Northern Bobwhite and Implications for Management Frank Loncarich	Estimating Northern Bobwhite Density in Privately Owned Forests across the Southeast John Yeiser	Landscape-scale Effects of Habitat and Weather on Scaled Quail Populations John Edwards
4:00	Home range and space use of northern bobwhite under two different management models in southwestern Missouri Tom Thompson	Histopathological Analysis of Quails in the Trans-Pecos Ecoregion of Texas Trey Johnson	Masked Bobwhite Recovery: The Need For A Multifaceted Approach Lacrecia A. Johnson
4:20		Exploring a Plant-Diversity Hypothesis to Explain Helminth Prevalence in Northern Bobwhite in Texas John E. Herschberger	Habitat of the Long-Tailed Wood-Partridge in central Mexico David Garcia-Solorzan

Friday 5 Aug			
	Bobwhite Ecology	Population Estimation/Hunting	Western Quail
8:00	Effects of Climate Change on Northern Bobwhite Nesting Chronology and Clutch Size Justin A. Rectenwald	Applying multistate mark-recapture models with state uncertainty to estimate survival and reproduction of quail Rebekah E. Ruzicka	Variability and genetic structure of the Montezuma Quail <i>Cyrtonyx montezumae</i> in the north limit of its distribution Eduardo Sánchez Murrieta
8:20	Northern Bobwhite response to Vegetation Management and Recovery in South Texas Rachel A. Smith	Breeding Season Survival and Reproduction in a High-Density Bobwhite Population: A case study William E. Palmer	Composition of the Montezuma Quail's Diet in Arizona, New Mexico, and Texas Ana G. Paredes-Acuña
8:40	Examining a Habitat-Weather Threshold for Northern Bobwhite Populations in the Southwestern United States John T. Edwards	Detection rates of northern bobwhite coveys using a small unmanned aerial system-mounted thermal camera Megan Martin	Winter diet of Montezuma quail in Arizona and New Mexico Oscar E. López-Bujanda
9:00	Diurnal Occurrence of Great-Horned Owls on Northern Bobwhite Hunting Plantations in Southwest Georgia Justin A. Rectenwald	Examination of an Anecdotal "October Disappearance" of Northern Bobwhite in the Rolling Plains of Texas Through Demographic Data. Jessica A. Mehta	Characteristics of Hunter Harvested Montezuma Quail Wings and Implications for Molt Phenology Charles J. Randel III
9:20	Climate Impacts on North American Quail Jeffrey Whitt	Evaluation of a Solar-Powered Micro-GPS Datalogger for Northern Bobwhite in the Rolling Plains of Texas Byron Buckley	
9:40	Measuring Multiple Demographic Rates in Two Populations of Northern Bobwhite Alexander L. Jackson	Spatial and Temporal Analyses of Bobwhite Hunting Dynamics D.Abraham Woodard	

10:00	Effect of Prescribed Fire and Mechanical Treatments on Northern Bobwhite Occupancy in Mesic Pine Flatwood Habitats Sara K Brown	A Simulation Model of Sustained-yield Harvest for Northern Bobwhite in South Texas Joseph P. Sands	
-------	---	--	--

Friday 5 Aug			
Break 10:20			
10:40	Northern Bobwhite and Fire: A Review and Synthesis David Weber	The Efficacy of Video Cameras to Account for Northern Bobwhites Flushed, but Undetected during Aerial Surveys Andrea Montalvo	
11:00	Adaptive Management Facilitates Increase in Northern Bobwhite Populations James Martin	Evaluating the Harvest Rate Recommendation for Northern Bobwhites in South Texas D.Abraham Woodard	
11:20	Efficacy of a preemergence herbicide following postemergence control to reduce sericea lespedeza in old-fields managed for bobwhite Mark A. Turner		
11:40	Behavioral State-specific Northern Bobwhite Chick Resource Selection Justin N. Hill		
Lunch 12:00
